

The Lord will not lead minds now to set aside the truth that the Holy Spirit has moved upon His servants in the past to proclaim. Many will honestly search the Word for light as those in the past have searched it; and they see light in the Word. But they did not pass over the ground, in their experience, when these messages of warning were first proclaimed. Not having had this experience, some do not appreciate the value of the truths that have been to us as waymarks, and that have made us as a peculiar people what we are. They do not make a right application of the Scriptures, and thus they frame theories that are not correct. It is true that they quote an abundance of Scripture, and teach much that is true; but truth is so mixed with error as to lead to wrong conclusions.

Satan is working [so] that the history of the Jewish nation may be repeated in the experience of those who claim to believe present truth. The Jews had the Old Testament Scriptures and supposed themselves conversant with them. But they made a woeful mistake. The prophecies that refer to the glorious second appearing of Christ in the clouds of heaven they regarded as referring to His first coming. Because He did not come according to their expectations, they turned away from Him.

The very same Satan is at work to undermine the faith of the people of God at this time. There are persons ready to catch up every new idea. The prophecies of Daniel and the Revelation are misinterpreted. These messages, received and acted upon, are doing their work to prepare a people to stand in the great day of God. If we search the Scriptures to confirm the truth God has given His servants for the world, we shall be found proclaiming the first, second, and third angels' messages.

It is true that there are prophecies yet to be fulfilled. But very erroneous work has been done again and again, and will continue to be done by those who seek to find new light in the prophecies, and who begin by turning away from the light that God has already given. The messages of Revelation 14 are those by which the world is to be tested; they are the everlasting gospel and are to be sounded everywhere.—Manuscript 32, 1896 (Manuscript Releases, vol. 17, pp. 12-15).
